ACC 'Tradition of Excellence'

The Tradition

Consistency. It is the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 54th year of

competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture,

the numbers support it.

Since the league's inception in 1953, ACC schools have captured 100 national championships, including 52 in women's competition and 48 in men's. In addition, NCAA individual titles have gone to ACC student-athletes 130 times in men's competition and 71 times in women's action.

The conference had an immediate impact on the national college football scene in the fall of 1953 when the University of Maryland captured the first of what would eventually be five national football titles for the ACC. Clemson laid claim to the league's second national title in 1981 while Georgia Tech followed suit in 1990. Florida State pocketed national titles No. 4 and 5 in 1993 and 1999, respectively.

In addition, Miami has laid claim to five national gridiron titles over the past 22 seasons. Four of the Hurricanes' five national titles (1983, 1987, 1989, 2001) were unanimous with both the sportswriters and coaches polls in agreement, while in 1991 Miami (AP) shared the national title with Washington (coaches).

This past season an all-time high 14 ACC players earned first-team All-America recognition while two others garnered second-team honors. The 12 institutions that

take to the field this fall under the ACC banner have produced 513 first- or second-team gridiron All-Americans and 71 first-team academic All-Americans.

Led by NC State junior Mario Williams, the first overall selection, the ACC set an NCAA record with 12 players selected in the first round of the 2006 NFL draft. Williams was the first ACC player to be the NFL's first overall selection. Seven of the

top 15, and 15 of the first 37 players drafted were from the ACC and the conference led all conferences with a league-record 51 players selected over the seven rounds.

The 12 current

ACC schools have had 2,093 players selected in the annual professional football draft, including 204 first-round selections.

If success is best measured in terms of wins and losses, then the ACC over the years has proved itself to be among the elite in Division I-A football. The ACC is the nation's winningest bowl conference as the 12 current league teams are a combined 139-119-5 (.538) in post-season play.

Following its 5-3 bowl mark in 2005, the ACC is the only conference to post a .500-orbetter record in post-season play in each of the past five seasons. Since 2001, the ACC is 21-12 in post-season play and has the best bowl winning percentage (.636) among all BCS conferences.

In 2002, the ACC set an NCAA record when seven of its nine teams (78 percent) received bowl bids.

Georgia Tech and Boston College are tied for the secondbest bowl game winning percentages in Division I-A history. The Yellow Jackets are 22-12 (.636) while the Eagles are 11-6. Florida State 20-13-2 (.600) is eighth.

For the first time in ACC history, league schools surpassed

the 3.8 million mark in total attendance in 2005. Over 73 home games, ACC teams drew 3,835,260 fans, breaking the existing record of 3,693,032 set in 2004.

2005-06 in Review

The 2005-06 academic year concluded with the league pocketing an all-time high six national team titles and 15 individual NCAA crowns. In all, the ACC has won 57 national team titles over the last 16 years. The ACC has won two or more NCAA titles in 24 of the past 26 years.

As this document went to press, four ACC baseball teams were participating in the College World Series.

The Championships

The conference will conduct championship competition in 25 sports during the 2006-07 academic year — 12 for men and 13 for women.

The first ACC championship

was held in swimming on Feb. 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year.

The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf and lacrosse. Fencing, which was started in 1971, was discontinued in 1981.

Women's sports were initiated in 1977 with the first championship meet being held in tennis at Wake Forest University.

Championships for women are currently conducted in cross country, volleyball, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, softball and rowing.

A History

 Continued charter members — Clemson, Duke, Maryland, North Carolina,

North Carolina State, South Carolina and Wake Forest — drawing up the conference by-

The withdrawal of seven schools from the Southern Conference came early on the

morning of May 8, 1953, during

the Southern Conference's annual

spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were: Dixie, Mid South, Mid Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed \$200.00 to pay for conference expenses.

On Dec. 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia as the league's eighth member. The first and only, withdrawal of a school from the ACC came on June 30, 1971, when the University

of South Carolina tendered its resignation.

The ACC operated with seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in January of 1964.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Polytechnic Institute and State University.

On Oct. 17, 2003, Boston College accepted an invitation to become the league's 12th member starting July 1, 2005.

There will be a Rose Bowl, Orange Bowl, Sugar Bowl and Fiesta Bowl and once in a four year period, one of the sites will serve as host for the National Championship Game a week after its traditional bowl.

The host committee of the Fiesta Bowl will be the first to implement the new format. In addition to the Insight Bowl on Dec. 28 and the Fiesta Bowl on Jan. 1, the group will host the Tostitos BCS National Championship Game on Jan. 8.
