 Women's Letterwinners Returning/Lost ..... 15/5  
 Newcomers ..... 20

• The H<sub>2</sub>Okies are on the road for the first time this season, as they travel to Columbus, Ohio, to take on Ohio State, Cleveland State and Denison on Friday, Nov. 4 at 6 p.m.

#### STRAIGHT FROM THE COACHING STAFF

• “We are looking forward to competing against some great Ohio teams this Friday,” said head coach **Ned Skinner**. “Ohio State’s men won the Big Ten a few years ago, Denison is the defending Division III National Champions and Cleveland State always has a strong team. We will need to be prepared to travel and represent the Hokies well and our teams will be ready for the challenge.”

• “I am looking forward to getting the diving squads in a really different environment,” commented head diving coach **Ron Piemonte**. “Ohio State can arguably be called the most successful diving program in the history of the NCAA. So it will be a great experience to compete against them, as well as Cleveland State, which has been very consistent in putting up strong divers. Denison will round out the field with pretty big squads on both the men’s and women’s sides. This weekend will prove to be another strong test for the H<sub>2</sub>Okie divers for this part of the season and I feel they are ready to meet the challenge.”

#### SCOUTING THE BUCKEYES

• The Ohio State men’s and women’s swimming and diving teams kicked off the 2011-12 season against Division III powerhouse Kenyon College last Friday. The Buckeyes swept the meet, with the men defeating Kenyon, 174-84, and the women downing the Ladies 176.5-83.5.

• The Buckeye men’s team finished the 2010-11 season with an 11th-place NCAA finish and third-place Big Ten finish, while not losing a dual meet. The Ohio State’s women swimming and diving program enters the 2011-12 season coming off a third-place finish in the Big Ten Championship and a 17th-finish in the NCAAs, while only dropping one dual meet which was against Michigan.

• The women return five seniors from last season, including six-time All-America diver Bianca Alvarez. She won a bronze medal at this summer’s World University Games. The Buckeye men are led by a class of 11 seniors, a group that includes Big Ten 200 backstroke champion, Andrew Elliot.

• This will be the first meeting against the two teams since 2001, where the H<sub>2</sub>Okie men lost, 109-130. The Tech women recorded a convincing 152-91 victory over Buckeyes.

#### SCOUTING THE VIKINGS

• Cleveland State kicked off the 2011-12 season on Oct. 8 when it participated in the Michigan State Long Course Invitational, where the Vikings placed third. The Vikings have won two-straight dual meets over Niagara and Green Bay.

• The Cleveland State women’s squad finished the 2010-11 season with an overall record of 15-4. The 15 dual wins set a new school record for the Vikings. The men’s squad finished the season with a dual record of 12-3. Both squads recorded a third-place finish in the Horizon League Championships.

• The Viking women return four members from last season, while the men return three All-Americans from last years squad.

• This will be the first meeting between Tech and Cleveland State under Skinner’s tenure here at Tech.

## SCOUTING THE BIG RED

- The Big Red kicked off their 2011-12 season with dual meets against Asbury and Ohio Wesleyan. The Denison men swept both teams, while also placing first at the Kenyon Relays. The women's squad also swept both meets and placed second at the Kenyon Relays.
- The women's team returns 14 national qualifiers from last season's DIII NCAA runner-up squad. Denison won its third-straight NCAC Championship last February and went 3-2 in dual meets.
- The men's squad returns 11 national qualifiers from last year's NCAA Division III national championship team. Like the women, DU's men's team has won three consecutive conference titles.
- This will be the first meeting between the two teams under Skinners tenure here at Tech.

## LAST TIME OUT

- The Virginia Tech swimming and diving teams hosted two meets last weekend, including North Carolina Friday and Florida State, Duke and UNC Wilmington Saturday. Despite the men's and women's teams dropping the conference dual meet to the Tar Heels, the H<sub>2</sub>Okies redeemed themselves Saturday.
- The Tech men recorded a first-ever program victory over the Florida State Seminoles, 182-117, while sweeping the entire meet, including another conference win over Duke (237-61) and a convincing 209-91 win over UNC Wilmington. Despite falling to the Seminoles, 129-169, the H<sub>2</sub>Okie women swept Duke, 152-146, and UNC Wilmington, 209-91.
- The men posted six individual titles, while coming in first in both relay events. Nathan Hoisington posted two titles of his own. The women recorded four individual titles, including two from senior Erika Hajnal.

## MEN NOTCH FIRST EVER WIN OVER FLORIDA STATE

- In the dual meet on Saturday, Oct. 29 the men's swimming and diving team recorded a convincing win, 182-117, over the Seminoles. Not only was it the first-ever win, but was an exciting victory since Florida State beat the H<sub>2</sub>Okie men by only three points in the ACC Championship last season.

## FRESHMAN SPRINGS OFF TO GREAT CAREER START

- Freshman diver Kaylea Arnett broke a school record in the 3-meter event last Friday against North Carolina. The Spring, Texas native posted a score of 343.50 that bettered former Hokie Sarah Milton's 337.80 score.

## DIVING TO NCAAs

- In the season opener against NC State and James Madison, six Tech divers qualified for the NCAA Zone meet.
- Ryan Hawkins, John Trope, Jared Butts and Logan Shinholser qualified for the men, while Kaylea Arnett and Logan Kline qualified for the women.
- Kelli Stockton qualified against North Carolina on Oct. 28.

## PERFECTION IN SEASON OPENER

- Senior Erika Hajnal, one of Tech's all-time lucrative swimmers, swam a perfect season opener against James Madison and NC State. The distance swimmer recorded first-place finishes in all three races she participated in. She touched the wall first in the 200 butterfly, 500 freestyle and 1000 freestyle. In the 1000 free she recorded a time of 10:03.95, which was close to 15 seconds faster than the runner-up.

- In diving competition, Logan Shinholser also performed perfect taking the top spots in both events. In addition to two first-place finishes, his two outings qualified him for the NCAA Zone Meet.

## SEASON OPENER SETS FOUR NEW RECORDS

- The men's 200 medley relay set a new pool record against NC State in the season opener on Oct. 15, when the quartet of Charlie Higgins, Nathan Hoisington, Karl Botha and Greg Mahon swam a time of 1:30.26.
- Divers, junior Logan Kline and freshman Kaylea Arnett set new pool records in the 1-meter and 3-meter, respectively. Kline recorded a score of 310.95, while Arnett posted a 320.25.
- Freshman Collin Higgins set a new pool record in the men's 200 back with a time of 1:48.57.

## MEN'S SEASON PREVIEW

For the second year in a row, the men placed fourth at the ACC's with a total of 508.5 points. The team returns a majority of its top contributors, including two divers who qualified for the NCAA's.

### Breaststroke

This group continues to evolve and develop for the men's squad. Senior Nevin Cook anchors the breaststroke crew, which includes freshman Harrison Cefalo, sophomore Emmett Dignan and juniors Adam Skipper and Nick Masterson. Cook scored 21 points for the H<sub>2</sub>Ogies at the ACC Championships, finishing fourth in the 100 breast and 11th in the 200 breast. Skipper also looks to be a big contributor this season as he placed second in the 100 breast at the Virginia Tech Invitational last season. This group should be as deep and strong as any breaststroke group the squad has had in the past.

### Backstroke

Charlie Higgins, Michael Hallock, Tom Sheranek and Zach McGinnis return to the backstroke crew after having a strong 2010-11 season. Higgins earned five individual titles last season, winning the 100 back in the Volunteer Invite and placed fifth in the 100 back at the ACC's. Hallock won the 100 back at the Virginia Tech Invitational, which was also the ninth-best time in the ACC. Sheranek finished with top-20 finishes in the 100 and 200 back at the ACC Championships. He won the 200 back at Cincinnati with Kentucky. McGinnis also bring a lot of depth to the group as he earned 28 points in his first season as a Hokie as ACC's. He finished fourth in the 200 and sixth in the 100. Joining Higgins this year, is his younger brother Collin Higgins. Collin joins the squad after an impressive high school career, where he was a four-year State Champion in the 100 back.

"We are very excited about our backstroke crew both in the 100 and 200 distances," said head coach Ned Skinner. "We have strength and depth and hope this to be one of our stronger events at ACC's and NCAA's."

### Mid- and Distance Freestyle

Blake Trabuchi-Downey, Phillip LaRosa, Alex Lutterbein and Ben Muster all return for Tech. Trabuchi-Downey finished in the top-20 in both 1650 free and 500 free at the ACC Championships, while LaRosa finished 14th in the 1650 free. Newcomer Jake Ores will join the group. The Loveland, Col., native placed third in the AAAA High School State Championships in the 500 free. Munster will also look to add depth to the crew. This group has emerged to be a very strong threat and look to continue to be a force in the conference.

### Sprint

"We have made great gains in all areas of freestyle within our team from last year's ACC's," noted Skinner. "We have targeted this as a high priority area and through recruiting and evolved training we hope to make great gains this season".

Anchoring the sprint crew is junior Karl Botha, who earned an individual title in the 50 free against Charleston. In addition to Botha, Garrett Hehn, Greg Morgan, Zach McGinnis, Adam Skipper, Nick Tremols and Emmett Dignan all return to the group. Skipper added a lot of depth to the group as he placed third in the 50 free against Cincinnati. He also won the 50 free and placed second in the 100 free at the Virginia Tech Invitational.

### Individual Medley

Gregory Mahon and Matt Baumler anchor a very strong 200 individual medley crew, which also features Nevin Cook and Tom Sheranek along with four newcomers. Mahon set a new Virginia Tech record in the 200 IM, swimming a 1:46.34 at the ACC Championships and finished fourth. Baumler won an individual title in the season opener against Charleston, while coming in at 25th at the ACC's. This group looks to have a lot of depth and strength that will bring a lot of competition in the conference.

### Butterfly

The H<sub>2</sub>Ogies call this group the "Snake Pit" as they are a tough group with much speed and talent. Arguably the strongest core of swimmers, the butterfly crew is led by Gregory Mahon and includes Blake Trabuchi-Downey, Matt Baumler, Charlie Higgins and Karl Botha. Mahon led all swimmers with 46 points at the ACC Championships. He earned All-ACC honors in the 200 fly and finished fourth in the 100 fly. He was third in the ACC and 29th in the nation in the 200 fly last season. Baumler also earned double-digit points for the Hokies at the ACC's, finishing sixth in the 200 fly and 12 in the 100 fly. He brings a lot of talent to the group and the crew looks to have a promising 2011-12 season.

### Diving

The Tech diving squad has some extremely experienced returners and a freshman who is adding huge depth to the strength of the team. Leading the group is junior Logan Shinholser, who became Tech's first diver to earn All-America honors and the second male H<sub>2</sub>Ogie ever to go All-American. The 11 points that Shinholser scored for Tech put the men in double digits for the second time in school history at the NCAA's. Joining Shinholser is Ryan Hawkins, John Trope and Jared Butts. Hawkins had an outstanding season as a freshman, shining at ACC's and Zone A Championships, while earning a spot at the NCAA Championship as well.

3-Meter Diving Points—Dual 310/320‡

Platform Diving Points—Dual 290/300‡

‡ qualifying point total when using six optional dives with standard D.D.

## WOMEN'S SEASON PREVIEW

For the second-straight year, the women placed fifth at the ACC's with a total of 358 points. The H<sub>2</sub>Okie women return several key contributors from last season's ACC and NCAA Championships, but lost five letterwinners, including NCAA competitor, diver Sarah Milton.

### Breaststroke

"Always a strong area for our program and the Lady H<sub>2</sub>Ookies have speed and endurance in the 100 and 200 events," commented head coach Ned Skinner.

Junior Keri Sink returns to Tech after finishing seventh in the 100 breast and 10th in the 200 breast at the ACC Championships. Fellow junior, Katie Steeves, competed in three events at the ACC's, with an eighth-place finish in the 200 breast. Joining the junior duo are sophomores Abby Houchin and Natalie Leake and freshman Alyssa Bodin.

### Backstroke

Sophomores Brittany Boone, Aubree Duncan and Caroline Higgins returns for the H<sub>2</sub>Ookies in the young backstroke crew. Newcomers Sabrina Benson and Susan Justis will compete this season as well. Duncan competed at the ACC Championships as a freshman and won the 200 back against Richmond on Jan. 22. The Woodstock, Ga., native was a four-star recruit on the Swimming World rankings, and a three-time all-county swimmer. The Backstroke group is rounded out by Caroline Higgins, who won the 100 and 200 back at the Virginia Tech Invitational.

### Freestyle

Tech returns All-American Erika Hajnal, who competed in the 1650 free, 400 IM and 500 free for the third-straight year at the NCAA Championships. She is the only Tech swimmer to qualify in three events. In addition to Hajnal, three juniors Laura Simon, Becky Flora and Addie Carne also bring a lot of depth to this strong crew. Flora finished 14th in the 1650 free at the ACC Championships and won the 500 free in the season opener against Charleston and Radford. Three newcomers join the group are Emily Ryczek, Erin Foster and Katie Rogers.

"We have found much success at the conference and NCAA level in this area and we continue to have much depth and talent in this range," noted Skinner.

### Sprint

"The Hokies landed some real strong talent and coupled with speed from the upperclassmen, we are very excited about this group of sprinters both this year and in the future," commented Skinner.

Anchoring the sprint crew is senior Emily Ferguson, who finished fourth in the 100 free and 10th in the 50 free at the Volunteer Invitational. She won the 50 free at the season opener against Charleston and Radford along with the 200 free relay. In addition to Ferguson, Heather Savage and Jace Hawanitz bring depth to the group. Savage posted top-10 finishes in the 100 and 50 free at the Volunteer Invitational. Rounding out the group are sophomore Rachel Sepanski and newcomers Kayla Hammerberg and Margaret Parcel.

### Individual Medley

Hajnal and Jace Howanitz lead the pack in the individual medley, while juniors Keri Sink, Katie Steeves, Meaghan Holloway and Addie Carne all return for the H<sub>2</sub>Ookies. Hajnal also earned All-ACC honors with a third-place finish in the 400 IM and held the team's top times for the season in five categories, including the 400 IM. Howanitz brings a lot of strength to the group as she finished eighth in the 200 IM at the Volunteer Invitational and led the women in 2009 in the 200 IM with a 15th-place finish at the ACC's.

### Butterfly

"We are excited about the strength and leadership from our upperclassmen in this area," commented Skinner. "Five ladies scored in the 200 fly at ACC's last year so we hope to continue to build in the fly events."

Hajnal also is the top swimmer in the butterfly event, along with Meaghan Holloway, Katie Steeves and Dana Kalnins. The four upperclassmen welcome newcomer Erin Foster to the mix. The Woodlands, Texas, native qualified for the Olympic Trials in 2008 and was a State Champion in 2009 as an individual. Holloway adds depth to the group as she finished seventh in the 200 fly and 11th in the 100 fly at the ACC Championships.

### Diving

Andrea Sawchuk, Sara Mokhtari and England Barimo return to the diving group. Three new members of the squad, Kaylea Arnett, Kelli Stockton and junior transfer Logan Kline, have brought in a new energy and a heightened level of competitiveness, as well. All three newcomers have already qualified for the Olympic Trials over the summer.

"I am very excited about how our newcomers have impacted the daily training environment so far," commented head diving coach Ron Piemonte. "This element, coupled with our experienced returners should make a definite impact on this year's season both on the boards and the platform."

## 2010-2011 SEASON REVIEW

### 2010-2011 HIGHLIGHTS:

- Four new school records
- 43 members earned at least one individual title
- Three VT Athletes of the Week
- One ACC Performer of the Week
- Five NCAA Qualifiers
- School-record four divers qualify for NCAAs
- First female diver since 1982 to qualify for NCAAs
- First ever All-American diver
- First ever ACC Diving Champion
- Christiansburg Aquatic Center opens

### NCAA CHAMPIONSHIPS

The H<sub>2</sub>Ogies had five athletes qualify for the NCAA Championships, with a school-record four divers, including Tech's first female diver since 1982.

Sophomore Logan Shinholser headed a trio of male divers, along with Ryan Hawkins and Daniel Martin, who competed in all three diving events. The squad struggled on both springboard events, but Shinholser then scored a 401.55 in the preliminary round of the platform event, good for fourth place and All-America honors. The sophomore faltered on the second dive in the finals and was unable to fully recover, placing him eighth overall in the finals and scoring 11 points for the H<sub>2</sub>Ogies.

Shinholser became Tech's first diver to earn All-America honors and the second male H<sub>2</sub>Ogie ever to go All-American. The 11 points that Shinholser scored for H<sub>2</sub>Ogies put the Tech men in double digits for just the second time in school history (19 pts, 27th, 2006), finishing in 28th place.

Junior returning All-American Erika Hajnal and senior diver Sarah Milton represented the H<sub>2</sub>Ogies at the Women's NCAA Championships. Hajnal competed in the 1650 freestyle, the 400 IM and the 500 freestyle for the third straight year. Sarah Milton, Tech's first female diver to qualify for NCAAs since 1982, competed in all three diving events.

In a disappointing follow-up to last season's top-25 finish, the two women were unable to score any points for Virginia Tech in this year's championships. Hajnal began the meet with a 58th-place finish in the 500 free. She then placed 34th in the 400 IM, a surprising drop-off from last year's top-eight mark, and she then just barely missed scoring points in the final event with a 17th-place finish in the 1650 free with a season-best time of 16:08.28.

Sarah Milton, concluding her decorated diving career with a trip to NCAAs, placed 32nd on the 1-meter and 23rd on both the 3-meter and the platform.

### ACC MEN'S CHAMPIONSHIPS

For the second year in a row, the men placed fourth at ACCs with a total of 508.5 points. Gregory Mahon earned the most points for Tech of any male or female participant, earning the bronze medal and third-team All-ACC in the 200 fly, while taking fourth in the 100 fly and the 200 IM, for a total of 46 points. Mahon's time of 1:46.34 in the individual medley broke the school record, which he had set at the 2010 ACC Championships.

Freshman Nick Tremols had an outstanding postseason debut, picking up 26 points for the H<sub>2</sub>Ogies, including a fourth-place finish in the 200 fly. Sophomore transfer Zach McGinnis earned 28, finishing fourth in the 200 back and sixth in the 100 back. Blake Trabuchi-

Downey earned a total of 22 points in three events for Tech; Nevin Cook picked up 21, including a fourth-place finish in the 100 breast; and Alex Lutterbein earned a total of 20 points for the H<sub>2</sub>Ogies, breaking the school record in the 400 IM and finishing fifth, swimming a 3:49.01.

The H<sub>2</sub>Ogies also had a pair of top-four relay finishes. Charlie Higgins, Cook, Mahon and Karl Botha earned the bronze in the 400 medley relay (3:12.23), and Higgins, Cook, Mahon and Rich Ulatowski opened the meet with a fourth-place finish in the 200 medley (1:27.67).

Logan Shinholser once again broke his own school record, scoring a 449.15 in the finals of the platform diving event, to become the first ever ACC Diving Champion at Virginia Tech. Shinholser is the first Tech diver to win a conference title since 1965, and the only H<sub>2</sub>Ogie to ever win the platform event.

Freshman diver Ryan Hawkins had a tremendous outing, earning three top-five finishes to score 44 big points for the Virginia Tech men.

### ACC WOMEN'S CHAMPIONSHIPS

For the second straight year, the women placed fifth at ACCs with a total of 358 points. Erika Hajnal was Tech's most lucrative swimmer, finishing in at least sixth in all three of her races and earning 44 points for Tech. She earned a bronze medal and All-ACC recognition in the 400 IM, came in fourth in the 1650 free and finished sixth in the 500 free. Keri Sink earned 25.5 points for the H<sub>2</sub>Ogies, tying for seventh in the 100 breast and finishing 10th in both the 200 breast and 400 IM. Lauren Ritter picked up 25 points for Tech, finishing seventh in the 200 free, 10th in the 1650 free and 11th in the 500 free.

Sarah Milton picked up significant points in all three diving events, finishing ninth on the 1-meter and platform and 10th on the 3-meter, for a total of 25 points. Carissa Santora earned 22 big points for the H<sub>2</sub>Ogies with a pair of eighth-place finishes on the 3-meter and platform, and Cara Murnan set a new Tech record on the platform, earning 13 points with a sixth-place finish (264.30).

### VOLUNTEER INVITATIONAL

The women had an outstanding weekend, coming in first with 1,118 points, ahead of No. 11 Tennessee in second (918 pts). They earned five titles, including two for Hajnal, and broke three pool records: the 400 IM (Hajnal), the 200 free (Filova) and the 800 freestyle relay (Filova, Ritter, Hajnal, Howanitz). Additionally, Cara Murnan finished first on the platform.

The No. 23 men took second at the meet, with 975.5 points, behind No. 16 Alabama (1,191 pts) and ahead of No. 15 Tennessee (932.5 pts). Kentucky finished fourth in both competitions. Logan Shinholser broke Tennessee's pool record in the platform diving event, while breaking his own school record. Charlie Higgins took home the only swimming title for the men, swimming a "B" cut time of 48.58 in the 100 backstroke.

### STATE-OF-THE-ART CHRISTIANBURG AQUATIC CENTER OPENS

The Christiansburg Aquatic Center opened in July, 2010. Tech hosted the first meet ever on Oct. 16, earning decisive victories over Charleston and Radford's women. The H<sub>2</sub>Ogies went 6-0 in the inaugural season at the CAC. The facility also played host to the 2011 Speedo Championship Series meet.

## 2010-2011 RESULTS
